FACTUAL BASIS FOR INVESTIGATION - For authorization to initiate or continue an investigation, indicate how the investigation will serve/ continue to serve a proper law enforcement purpose and source of information relied upon to justify the investigation; for termination of an investigation or disapproval of an initiation request, indicate rationale for that determination:

As of this time, the Occupy Movement has had a significant lack of participants and further investigation no longer serves the
Department's purpose of ensuring that the Chicago Police Department can adequately prepare for large events developing from this
movement and to determine whether participants are planning activities that involve violence, property destruction or large scale civil
disorder. It is requested that this investigation be terminated.
